<p>You are invited to participate in a survey on national and community affairs conducted by YouGov in conjunction with 15 of the nation's leading universities and research institutes.</p> <p>The goal of this survey is to obtain opinions on current events. You will be asked a number of questions on current events. Your participation is voluntary. You are free not to answer any question or to withdraw from the study at any time. This poll should take approximately 20 minutes to complete.</p> <p>A report of the results of this study will be provided to you upon request. In order to analyze responses to our questionnaire, your answers will be recorded. ****No identifying information about you will be made public and any views you express will be kept completely confidential. ****</p> <p>Findings from this study will be reported in scholarly journals, at academic seminars, and at research association meetings. The data will be stored at a secured location and retained indefinitely. A benefit from participating in this study is that it may increase awareness of current events.</p> <p>Should you have questions regarding the research project, please contact help.us@yougov.com.</p>

CC21_350a Establish a commission to investigate the January 6, 2021, attack on the US Capitol.

CC21_350b Authorize spending up to \$1.9 trillion for COVID relief from March 2021 through September 2021, including extension of unemployment benefits through September 2021, and emergency funding to state and local governments for the fiscal year.

CC21_350c Increase accountability for misconduct by police officers, create a national registry of police officers who have been fired for misconduct, and establish stricter officer training requirements.

CC21_350d Prohibit employers from firing or replacing workers who participate in a strike; remove prohibition on workers at one company supporting a strike by workers at another company (also known as secondary strikes).

CC21_350e Require that state and local governments with a history of discrimination in voting must obtain approval of changes in election laws from the Department of Justice.

CC21_350f Amend federal laws to prohibit discrimination on the basis of gender identity and sexual orientation.

CC21_350g Require equal pay for women and men who are doing similar jobs and have similar qualifications.

CC21_350h Increase federal spending on high-tech research and development (from \$10 billion to \$30 billion a year), for robotics, computing, advanced manufacturing, and Internet security.
